

# 2018 SPRING SPLASH WORK ORDER

( this is the last year we will be doing a spring splash)

Here is your 2018 Spring Splash form. Filling out and sending in payment for the Spring Splash Work Order authorizes Moritz Sport and Marine to automatically put your boat in its slip **without** a call from you. This will also require you to leave the keys for your boat in the vessel or with a member of our Service Dept. before launching. If no keys are provided the work order becomes null and void!

Pricing for the 2018 Spring Splash will be **\$149.00** and must be prepaid by **JAN. 1<sup>st</sup>** to receive priority launching. To participate in the Spring Splash fill out this work order and sign below. You may enclose a check before mailing back or pay with a credit card. Again, all Spring Splash work orders must be received by **JAN.1<sup>st</sup>** deadline to qualify for priority launching.

Your vessel will be pulled from storage, uncovered, put in your slip and re-covered if a tarp is available. You will then receive a courtesy call letting you know that your boat has been "Splashed". Any additional services will be billed separately.

We appreciate all of our customers, both new and old, that call on us for all of their recreational servicing needs. Our goal is to become more efficient and any feedback you may give is greatly appreciated.
